

The easy way to sell used vehicles throughout Europe

Your remarketing partner

Welcome to Europe's huge auction house for the used vehicle trade

Actively market your vehicles throughout Europe

With its Autobid.de brand Auktion & Markt AG is one of the biggest and most successful auction providers for the commercial vehicle trade in Europe. With the know-how it has gathered from over 30 years of auction experience, used vehicles from dealerships, brand name subsidiaries, car hire and fleet companies, manufacturers and banks from across Europe are sold daily to motor vehicle dealers. There is an especially high demand for premium used vehicles.

In nine auction centres in Germany, Autobid.de also regularly offers live

auctions on location in addition to its online auctions.

Let facts speak for themselves

Are you looking to market used vehicles quickly and reliably? Then why not go where the facts speak for themselves: 25,000 registered buyers, more than 150,000 sold vehicles every year, sales in 40 countries, appraisals throughout Europe, and a whole package of additional services. For years already now dealers throughout Europe have placed their trust in our ability to perform.

Our external services staff will be happy to advise you. Simply call us and we will promptly arrange an appointment.

So when can we talk about your vehicles?

Here trade is done online

The screenshot shows the Autobid.de website interface. At the top, there are navigation links for 'Start page', 'Buy', 'Sell', 'Locations', 'Company', 'Marketplace', and 'Service'. A prominent banner features a red car with the text 'Come in we're OPEN'. Below this, there are sections for 'Vehicles online' with a table of counts by manufacturer and vehicle type, and 'Overview of specials' with various promotional offers.

This screenshot displays a detailed view of a vehicle listing for a BMW 320d Touring. It includes a 'Catalogue number: 97', a 'Auktionsbarometer' (bidding barometer) showing a price range from 11,800 € to 13,400 €, and a 'Time until hot-bid phase' section. The vehicle details include 'BMW 320d Touring', 'Estate / 5-door, 2.0 Ltr., Diesel, 125 kW / 163 PS', 'First registration: 08/2010', '8-gear manual transmission', 'aircraft 0', 'Real mileage: 136,800 km', and 'Total number of owners: 1 Owner'. The 'Vehicle extras' section lists 'Climate control, Bi-xenon, Navigation, PDC (Park Distance Control), Power steering, Airbag 6'.

Our internationally oriented auction platform www.autobid.de has established itself among dealers and is very popular. This highly professional online sales channel is responsible for strong sales at our suppliers. And it is currently available in 22 languages.

The auction process here could not be simpler. Dealers bid in real time

for the vehicles they want or use the automatic bidding agent.

The auction barometer shows at a glance the current bidding status. This way you can always keep a watchful eye on your sales success.

Throughout Europe all vehicles are appraised and registered for auction

by staff of Autobid.de. Up to 40 photographs document the precise vehicle condition. Together we choose the right vehicles from your stock, and we are also very happy to offer you advice on setting prices.

So when will you be going online with us?
